## Application for Street Opening

1.	Name of Applicant	
2.	Address of Applicant	
3.	Purpose for which the opening is to be made:	
4.	Description of the location of proposed opening:	
5.	The length, width, and depth of proposed opening	
6.	The outside diameter of all proposed manholes	
7.	Estimated Date of Commencement	
8.	Estimated Date of Completion	
9.	Approximate Cost of Backfilling, Tamping, and Repaving	
10.	Attach hereto three (3) complete copies of the plans and specifications. Show the work contemplated to be done, and indicate the section of pavement, shoulder or bank, which the applicant desires to open. (In the event changes are to be made during construction, three (3) complete "as-built plans" shall be filed at completion of contemplated work).	

11.	Where small excavations are to be made, state the distance of the proposed opening from nearest curb or ditch line, or edge of pavement where road is paved, for suitable tie-in for later location purposes. (In large excavations they shall be subject to the Engineer's consent during construction).
12.	The applicant hereby agrees to save the Township of West Amwell harmless from any loss, injury, or damage whatsoever, resulting from the course of construction, whether directly or indirectly connected with the work; or from any negligence or fault of the applicant, its agents, servants, representatives, or contractors in connection with the performance of the work covered by the plans.
13.	The applicant agrees to abide by all of the provisions of the Ordinance No. 3-1982 adopted January 7, 1982, entitled "An Ordinance Governing the Opening of Streets in the Township of West Amwell, County of Hunterdon and State of New Jersey".
