A. Open Space: No report given.B. Environmental: No report given.

C. Ag Advisory: No report given.

D. Finance Committee: No report given.

#### **UNFINISHED BUSINESS**

# **Update: PennEast Status**

The Committee noted receipt of an email dated 9/27/21 Environmental Committee Chairman Mike Spille indicating the pipeline project is dead.

## **NEW BUSINESS/OTHER**

## **Discussion: Relocation of OEM Office**

Mayor Bergenfeld explained that the phone lines in the OEM Office that used to be in the former Police Headquarters have been disconnected and there is no room in the basement for OEM to move in to at the new location. Director Heller would like to operate out of the corner office off the lobby of the Municipal Building. It was noted this office has its own side entrance and would be a good fit for OEM. The Committee supported the relocation of the OEM Office.

## **Discussion: Replacement of Police Patrol Unit 26-14**

Mayor Bergenfeld explained that Police Patrol Unit 26-14 was totaled during Hurricane Ida. He noted Police Lieutenant Skillman is requesting the Township relinquish ownership of the vehicle and accept the payout value established by the insurance company. The Committee supported Lieutenant Skillman's request.

## **Discussion: SHRHS Referendum**

Mayor Bergenfeld opened the floor to public comment. School Board President Kevin Koveloski came forward and expressed support for the referendum. He noted there is no perfect plan but stated he believes the proposal will help every student and encompasses all 3 buildings. He requested that everyone stay neutral and allow the taxpayers to vote on it.

Dave Beaumont of 205 Rock Road West came forward and stated his focus is on the tax impact. He expressed that he believes there are 4 options:

- 1. Do nothing
- 2. Address the "must do" projects (including ADA requirements over a period of 8-10 years)
- 3. Consider a smaller referendum to accomplish the "must do" projects over a shorter period of time
- 4. Put forth the full \$27 million referendum

Mr. Beaumont commented that for example a tax increase of \$1400 would spread over a 4 year period or the increase could be delayed 6 years, and spread over a period of 20 years. He remarked that in his opinion it makes sense to spend the money now and not delay it, and he urged the Committee to remain neutral with regard to the referendum.

Stockton resident James Gallagher came forward as a member of the school board and referred to the comments made by Planning Board Chairman Rob Tomenchok in the Township Committee's 9/15/21 minutes where he "...expressed concern over the lack of regular maintenance on structures..." Mr. Gallagher commented that the buildings are being maintained and stressed the importance of the referendum passing which he believes would be beneficial to all of the students.

Committeeman Hoyer complimented Superintendent Suozzo on a tremendous job getting the referendum information out to the public.

#### **Discussion: Stymiest Road**

There was a discussion on the damages to Stymiest Road as a result of Hurricane Ida and the on-going costs to continuously maintain the road. A suggestion was made on possibly considering a special assessment tax.

Mayor Bergenfeld commented on the storm damage at Hewitt Park and noted Parks and Recreation Chairman Joe Petrucci is working on getting quotes for some of the repair work.

## <u>Discussion: Memo of Understanding from Lambertville, re: Borrowing the Track Loader</u>

Mayor Bergenfeld explained that West Amwell has rented a track loader to address repairs after Hurricane Ida and Lambertville wanted to borrow it. Mayor Bergenfeld remarked that DPW Director Rollero indicated the equipment is no longer in that part of the Township where it would have been convenient for Lambertville to have briefly borrowed/used it, and at this point Director Rollero has it scheduled for repair work throughout the municipality for the entire 30 day rental period.

It was the consensus of the Committee to recommend Lambertville simply rent their own track loader.

## **OPEN TO THE PUBLIC**

Mayor Bergenfeld opened the floor to public comment. Dave Beaumont of 205 Rock Road West came forward and asked for some clarification on the 9/15/21 Township Committee meeting minutes.

School Board President Kevin Koveloski came forward and complimented the Committee on a great job with the Police Department renovation. He also noted the 6<sup>th</sup> graders made about \$400 at the 175<sup>th</sup> Anniversary Celebration with their fundraiser and expressed what a great event it was.

Seeing no other members of the public come forward, a motion was made by Cally and seconded by Dale to close the floor to public comment. The motion was unanimously approved by voice vote.
